

TATENDA TAVAZIVA

My name is Tatenda Tavaziva and I am currently the Lead Pastor of ONE Church which is based in Avondale. I gave my life to the Lord at age 10 after growing up in a Christian home.

After attending Gateway Primary and High School I had the privilege of attending a Christian University in Texas where my faith was truly stretched to the limit trusting God for provision.

It was always my dream to return home to Zimbabwe and use the skills and expertise I learned in the States and utilize them here. I am married to my beautiful wife Valerie and we were blessed with a beautiful baby girl, Victoria, on Father's Day this year.
